

Kit App Terms of Use

Version - 08 December 2025

1. Introducing the Kit App

Welcome to the Kit application (referred to as App or Kit App).

The App is designed for compatible mobile, Apple and/or Android Devices. The 'Kit App' or 'App' refers to the Kit iOS App or Kit Android App downloaded from the official Apple App or Google Play stores and accessed locally on your Device.

While some elements are available without providing any information, you will need to register for certain portions of the App (described below in these Terms of Use) by providing your email, name, and other requested information. Please note that features of the App may not be available to some customers using an overseas telecommunications provider.

These Terms of Use form part of the Agreement that governs your use of the Kit App Services and Kit Account Services as further set out below.

Definitions used in these Terms of Use are set out in clause 23 (Meaning of words).

1.1 What these Kit App Terms of Use Cover

Through this App, Kit provides a service for parents or guardians to help families raise the financial capability of their children and set savings goals. The App also allows for:

- Parents or guardians to apply for the Kit Account Services [which include a digital account and linked Kit Card(s)], which provide the ability to transfer actual money onto a prepaid Visa card for children (each a Child) to use;
- Children and/or parents and guardians to view the balance of a linked, separate CommBank Youthsaver Account; and
- A Child to instruct, with the Parent or guardian's permission and using the App, the transfer of funds from the Kit Account to a linked, separate CommBank Youthsaver Account.

These Kit App Services are further described below in these Terms of Use.

The Kit App services provide you the option to submit information about your Child (over whom you have guardianship), and you may choose to provide your Child with direct access to this App. In submitting this information and/or providing this access, you agree to do this in accordance with these Kit App Terms of Use.

1.2 Important information you should know

This App and the Kit App Services are provided by CBA New Digital Businesses Pty Ltd ABN 38 633 072 830, trading as Hey Kit, a wholly owned but non-guaranteed subsidiary of the Commonwealth Bank of Australia ABN 48 123 123 124 (CBA). CBA New Digital Businesses Pty Ltd is not an Authorised Deposit-taking Institution for the purposes of the Banking Act 1959 and its obligations do not represent deposits or other liabilities of CBA or its subsidiaries, and therefore you may be exposed to investment risk including possible delays in repayment and loss of income and principal invested, as relevant.

The Kit Account Services are provided through CBA New Digital Businesses Pty Ltd ABN 38 633 072 830 as an authorised representative of Hay Limited ABN 34 629 037 403, AFSL 515459, Authorised Representative Number 001296799.

The Kit Account and Kit Card are issued by Hay Limited ABN 34 629 037 403, AFSL 515459. CBA New Digital Businesses Pty Ltd is authorised to distribute the Kit Account and Kit Card.

Visa and its image are registered trademarks of Visa International.

Kit Account Services

The Kit Account Services financial products or services offered or available through this App are subject to separate terms and conditions between you and the Kit Account Issuer (including the Kit Card and Account Terms and Conditions, PDS, Kit Card and Account FSG and TMD). In the event of any inconsistency between these Terms of Use and the financial product or service-related terms and conditions, the financial product or service-related terms and conditions will prevail with respect to your financial product and service and will apply to you to the extent of such inconsistency.

Any information or advice provided through these App Terms of Use or on our website is general in nature only, and does not take into account your objectives, financial situation or needs. Because of that, you should, before acting on any such information or advice, consider its appropriateness to your circumstances. You should also read and consider the Kit Account FSG and PDS, as well as the TMD before making any decision about whether to acquire or use the Kit Account Services and related Kit Card. These documents explain

important details you should know before applying for and/or using the Kit Account Services. You can read each of the Kit Card and Account Services' FSG, PDS, and TMD documents at: www.heykit.com.au/legal.

CommBank Youthsaver Account

The Youthsaver Account is referenced in but is not offered through these Kit App Terms of Use. See the Youthsaver Account definition for where you can access more information about this product. The Youthsaver Account is issued by and offered through the Commonwealth Bank of Australia ABN 48 123 123 124 AFSL and Australian credit licence 234945.

Notwithstanding and in addition to the Youthsaver terms and conditions referenced in the paragraph above, in the Kit Youthsaver FSG you can view more details about (a) who we are and how to contact us, (b) what services we provide that relate to the Youthsaver Account, (c) how we may be remunerated, (d) whether any relevant associations or relationships exist that may influence the services we provide, (e) how we maintain your relevant personal information, and (f) how to access our relevant internal and external complaints handling arrangements.

1.3 Your Contract with us

- (a) By downloading the App, you confirm that you agree to be bound by these Terms of Use. If you do not agree to these Terms of Use, you should not access the App and cease using it (including, in the case of the App, by uninstalling it) immediately.
- (b) You acknowledge and agree that if you are a Parent or guardian of a child or children (each a Child), you may grant your Child access to this App, the Kit App Services, or the Kit Account Services by allowing them to access the App on a Device.
- (c) To access the Kit App:
 - (i) you will need to log into the Kit App as the Child's Parent or guardian using your username and password. A Child can then access the Child's individual profile using the Child's specific Access Code; and
 - (ii) if you agree your Child or Children may access the Kit App on a separate Device to your primary Device, you will first need to generate a Kid Device Login Code in the Kit App, after which you may insert that Kid Device Login Code on the approved, separate Device. You can

generate a Kid Device Login Code in the Kit App by going to your *Boss Settings* in the App and following the prompts. To avoid doubt, (A) the Kid Device Login Code is only required on Devices that are not your primary Device, and (B) these Terms of Use will continue to apply to you in full and for any Device on which the Kit App is installed, including in particular clause 21 of these Terms of Use (**Accessing the App from more than one Device**).

- (d) You acknowledge:
- In accordance with the separate Kit Card and Account Terms and Conditions, your Child may be issued a Kit Card as part of the Kit Account Services, and the Kit Card will be issued in the name you allocate through your Kit Account that is provided by the Kit Account Issuer.
 - You take full responsibility for any actions taken by any Child using the Kit App from any Device and/or the Kit Card (including their use of the Kit Account Services); and
 - You agree to ensure that your Child understands and complies with these Terms of Use and the separate Kit Card and Account Terms and Conditions.
- (e) To the extent the user of the Kit App Services and Kit Account Services is a minor (that is a person under 18 years of age), you acknowledge and agree that: (i) you are the minor's Parent or guardian and you have the authority to consent and accordingly do consent to these Terms of Use on the minor's behalf; and (ii) you will explain to the minor how to use and the rules associated with the Kit App, Kit App Services and Kit Account Services, including the Privacy Policy and how the minor's Personal Information will be treated when they use the Kit Services and Kit Account Services.
- (f) You will ensure that if the user of the Kit App Services or Kit Account Services is a person over 18 years of age, the user acknowledges and agrees to be bound by and consents to these Terms of Use on their accepting or using the Kit App Services and/or Kit Account Services.
- (g) You act as the minor's guarantor and accept all responsibility for the minor's actions or omissions in relation to their use of this App (on any Device), the Kit Services, Kit Card, and/or Kit Account Services, including any breach of these Terms of Use or the Kit Card and Account Terms and Conditions.
- (h) By continuing to use or allow use of this App after reading these App Terms of Use, you agree to be bound by these Terms of Use, including where that use is by a minor.
- (i) If you are not the Parent or guardian of a Child who you are sharing this App with, or whose information you seek to include in or through this App, you represent and warrant that you have all necessary permissions and consents from each Child's parents or guardians to enable you to provide such information or access.

- (j) Kit reserves the right to request documents or information to verify your Child's details and your relationship with them. Accordingly, you must provide such documents or information on Kit's request.

1.4 Audio Content

While character voice recordings in the Kit App are synthesised using artificial intelligence (AI) technology, such voice recordings are based on a human voice actor's recordings and have been fully reviewed by Kit prior to use in the Kit App. For clarity, a Kit App user will not directly interact with AI technologies while using the Kit App.

Kit Services Terms of Use

1. Accessing the App

To download this App, you will need to:

- be an individual.
- Be the Parent of any Child who uses the App and/or whose information you submit to or through the App; and
- provide all information required by or through the App.

Unless expressly provided otherwise in these Terms of Use, if you use the App and/or apply for and use the Kit Account Services then you agree that:

- you will not use another person's email address, identity or contact details.
- you will not sell, transfer, or assign any rights you have in relation to the App, including sharing your access or information from the App with any other person.
- you will comply with any service instructions or guidelines provided by us or on our behalf.
- you are solely responsible for all activities that occur using your password (including where your fingerprint is used as your password) and login, whether or not you authorise the activity.
- you are solely responsible for maintaining the confidentiality of your password and login and any Child access code or Kid Device Login Code including for restricting access to any Device on which the App is installed.

- we will not be liable for any loss or damage that you or any third party suffer as a result of your failure to comply with your obligations in these Terms of Use to the extent your failure has caused the loss to you or a third party; and
- we may reject the use of your fingerprint or facial image (through facial recognition identification) for any reason in our sole discretion but for security purposes.

2. Acceptable Use

You may not use the App to engage in conduct that, in our opinion:

- is unlawful;
- interferes with any other person's access to the App;
- is defamatory, harassing or threatening to any person;
- promotes or encourages physical or mental harm of any person;
- promotes violence against any person; or
- threatens or promotes terrorism or money laundering.

In the event that you fail to comply with the acceptable use terms detailed above, we may without notice and immediately or at any time:

- refuse to process or complete any transaction or dealing of yours; and/or
- suspend or discontinue your access to the App.

3. Provision of Kit App and Kit Services

- 3.1. The Kit Services that we provide to you via the App consist of providing you with information and functionality that includes, amongst other things, the ability for you or a Child, with your permission, to make transactions, and set and edit savings goals.

It also provides you, through the Kit Account Services, with the ability to apply for and manage the Kit Account Services in accordance with the Kit Card and Account Terms and Conditions, PDS, FSG and TMD.

Finally, the App provides the ability for you and your Child to view the balance of a linked Youthsaver Account that you have created and maintain separately with the Commonwealth Bank.

- 3.2 Subject to your compliance with these Terms of Use, Kit will provide the following to you:
- access to the App and Kit App Services; and
 - the ability to apply for and receive the Kit Account Services; and
 - the ability to view any linked Youthsaver Account balance in the App, and take steps to instruct the transfer funds through the Kit App from the Kit Account to the linked Youthsaver Account.

4. Receiving documents electronically

If you apply for the Kit Account Services through the App, we will send information related to your application and the related product and services electronically. By commencing an application, you agree to receive all information related to the Kit Account Services and the Kit App electronically, including your Kit Account financial product contract, and any other related documents to the product. By providing this information electronically, we will send the information, statements and notices electronically through: (a) email to an email address you have given us for contacting you; (b) push notifications from the Kit App; and/or (c) notice to you that the information is available through our App or online.

If you decide to proceed with the Kit Account Services and separately a Kit Card (or Kit Cards), you will be asked to accept relevant terms and conditions electronically. By applying for the Kit Account Services and any Kit Card, you agree and acknowledge that paper copies won't be provided and that you can always find the current version of the electronic terms and conditions at www.heykit.com.au/legal (with previous versions available on request to us through the contact details set out in these Terms of Use).

If you don't agree to receive your terms and conditions electronically, you should not use the Kit App Services nor apply for or use the Kit Account Services.

Even if we normally provide electronic notices or statements to you, we reserve the right to send paper ones instead to your nominated postal address (e.g. if for any reason we are not able to provide them electronically). It is therefore important to keep your postal address up to date with us.

You are responsible for the acts and omissions of all users of the App from any Device, including any person under the age of 18 who is your Child. Subject to any exceptions set out in the PDS, all communications and acceptances, including electronically accepted documents received through the App from any person logged into the App using your email address (or through another Device you have approved) are deemed to be authorised by you unless you can prove that you did not authorise the person and that:

- without your knowledge your Device has been taken over by use of malware despite you having up to date antivirus, antimalware and firewall software installed on your Device; and/or
- the person gained access to your account without your approval despite you taking all reasonable precautions to prevent such access; and you did not unreasonably delay in reporting to us the compromise or loss of your Device.

5. Using fingerprint functionality

If we have made fingerprint functionality available through the Kit App, and you have the Kit App installed on a phone that has fingerprint ID (named Touch ID on iPhone 5s or later), you may be able to turn on fingerprint access for the Kit App. Turning on fingerprint access for the Kit App means that you can access the App using your fingerprint instead of entering a secure code. For certain information, however, we may prompt you to enter your password or other information as an additional security measure.

You must not turn on fingerprint access for the Kit App if you have any fingerprints stored on any Device other than your own. If, after turning on fingerprint access, you allow other people to use their fingerprints on your Device, you must first turn off fingerprint access for the Kit App.

If you do allow anyone else's fingerprints to be stored on your Device (despite this being against these Terms of Use):

- they'll be able to access your accounts and considered authorised to do so; and
- to the extent permitted by law, you will be responsible for their transactions.

If you, or someone else, changes the fingerprint settings on your Device, fingerprint access may be disabled for the Kit App. Only re-enable fingerprint access if you are sure the changes made to your fingerprint settings on your Device were made by you.

Fingerprint functionality is technology you may choose if it is available on your phone model and has been enabled by you on your Device. Fingerprint functionality is provided by third parties (like Apple) and accordingly, to the extent permitted by law, we are not responsible:

- for any malfunction in fingerprint functionality; and/or
- if those third parties make any changes to their fingerprint technology that impacts the way you access the App.

You will still be able to access the Kit Account Services using your secure login and password.

If you choose to use fingerprint access for the Kit App, you will still need access to your email address and mobile phone number (in certain circumstances) to receive messages. You must protect your email address and mobile phone number (if relevant) in the manner outlined in these Terms of Use.

Note that Fingerprint functionality cannot be used for any Child logged in on Devices where you have generated a Kid Device Login Code and approved use of that Device. Your Child or Children will only be able to access any such Device with their Access Code(s) (vs fingerprint or facial recognition).

6. Using facial recognition

If we make the App available to download on your Device and if you have the Kit App installed on a Device that has compatible facial recognition available, you may be able to turn on facial recognition access for the Kit App. Turning on facial recognition for the Kit App means that you can access the App using facial recognition instead of entering a password or code.

You must not turn on facial recognition access for the Kit App if the facial image stored on your phone is not your own. If, after turning on facial recognition, you allow other people to store their face on your Device, you must first turn off facial recognition access for the Kit App.

If you do allow anyone else's face to be stored on your Device (despite this being against these Terms of Use):

- they'll be able to access your accounts and considered authorised to do so; and
- to the extent permitted by law, you will be responsible for their acts and omissions, including any transactions.

If you, or someone else, changes the facial recognition settings on your Device, as a security measure, facial recognition may be disabled for the Kit App, and you may be asked to enter your password or other information. Only re-enable facial recognition if you are sure the changes made to your facial recognition settings on your Device were made by you.

Facial recognition is technology you may choose if it is available on your phone model and has been enabled by you on your Device. Facial recognition technology is provided by third parties (such as Apple) and accordingly, to the extent permitted by law, we are not responsible:

- for any malfunction in facial recognition; and
- if those third parties make any changes to their facial recognition technology that impact the way you access the App.

You will still be able to access the Kit Account Services using your secure login and password.

If you choose to use facial recognition access for the Kit App, you will still need access to your email address and mobile phone number (in certain circumstances) to receive secure codes. You must protect your email address and mobile phone number (if relevant) in the manner outlined in these Terms of Use.

Note that facial recognition functionality cannot be used for any Child logged in on Devices where you have generated a Kid Device Login Code and approved use of that Device. Your Child or Children will only be able to access any such Device with their Access Code(s) (vs facial recognition or fingerprint).

7. How to protect your account

You must act with care in protecting your account and password.

Things you must do are below:

- keep all passwords, account names or log in identifications required to access the App secure and confidential, including by locking your Device(s) where possible and not sharing your passwords, account information or log-in details with any other person;

- only install approved Apps on your Device(s);
- memorise your password as soon as possible, then destroy or delete any record of it;
- if you need to keep some 'prompts' to assist you to remember your password, disguise them so that others can't decipher them;
- if your Device(s) is/are lost or stolen or if your account has been accessed or are accessible by someone else, notify us immediately;
- not copy, disable, interfere with or make any unauthorised use of any security device or protocol provided by Kit;
- regularly change your password;
- comply with our reasonable instructions and guidelines relating to security requirements from time to time;
- ensure that all Devices used to access the App have up to date anti-virus software installed and operating; and
- only install approved applications on your Device(s) from a known and reputable app store provider.

Things you must never do are below:

- override the software lockdown on your Device(s) (i.e. jailbreak or root your Device);
- leave your Device(s) unattended;
- keep a copy of your password on your Device(s);
- tell your password to anyone – not even family or friends;
- use your birth date or a numeric version of part of your name, or a number or word that someone can easily guess as your password;
- use the App with a device that is not compatible with the App;
- let anyone see your password when you're using it; or
- use an existing password that you have for a debit or credit card.

If you believe your password or account or any log-in details have become known to someone else, notify us immediately by raising a request for support in the App, or by emailing us at support@heykit.com.au.

8. Availability and functionality

We may change or update the App at any time. Where possible, we will keep you informed in advance with as much notice as is reasonably possible in the circumstances of any new modifications that we intend to update, replace or discontinue and the likely time-scale for introduction, replacement or discontinuation of the same if known. To continue using the App after changes or updates occur, you may need to download and install a new version.

If you become aware of any problems with the functionality, availability, or security of the data in or related to the App please contact us at support@heykit.com.au.

9. Your obligations

You understand and agree that:

- you will ensure use of the App is only for the purpose of receiving the Kit App Services, to access the Kit Account Services, and/or to view linked CommBank Youthsaver Account balance/s and not for any other purpose;
- it is your responsibility to evaluate notifications or alerts received by us, including via the App, and take appropriate action;
- the Kit Account Services provided through the App are subject to the separate Kit Card and Account Terms and Conditions, PDS, FSG and TMD referenced in these Terms of Use; and
- the Youthsaver Account and related services referenced in this App are subject to (a) the separate account and other related terms and conditions with CommBank, and (b) our Kit Youthsaver FSG.

You must not either yourself or allow on your behalf any agent or third party to:

- copy any aspect of the App and the Kit App Services or Kit Account Services other than in the ordinary course of the operation, use, marketing, or promotion of this App, the general Kit Services or the Kit Account Services under these Terms of Use or the Kit Card and Account Terms and Conditions as applicable;
- subject to applicable law, decompile, disassemble, or otherwise reverse engineer any aspect of the App or its associated services or determine any source code, algorithms, methods or techniques used or embodied in the App;
- without our prior written consent, modify, translate, adapt or otherwise create derivative works based upon, the App or associated Kit App Services or Kit Account Services;
- copy ideas, features, functions, or graphics of the App for use in another product or service;
- use the App directly or indirectly for any activity or upload, store or transmit any data, information, or material unlawfully or which prevents any other customer from accessing, using, or enjoying the App;
- attempt to gain unauthorised access to the App and associated Kit services or any part thereof, or use another person's name, registration account, log in identification or password;
- knowingly introduce or transmit any malicious code or other disabling feature to or from the App;
- remove, disable, or modify any security, anti-virus or other software on the App;
- attempt to gain access to any data or information within or through the App, other than your data;
- use the App, Kit App Services and/or Kit Account Services in whole or in part to provide any third party, including an App service provider, with data obtained in connection with these Terms of Use, unless expressly agreed in writing by Kit; and/or

- remove any intellectual property ownership or management information appearing in any part of the App and associated Kit App Services.

10. Usage monitoring and reporting

In addition to the monitoring rights provided to us and Apple or Google under Your respective, separate Apple store and Google Play store terms and conditions, you understand and agree that we may monitor and measure access to and use of the App, the Kit App Services and/or the Kit Account Services (as applicable) by you for the purpose of ensuring:

- compliance with these Terms of Use; and
- technical efficiency and security of the App and Kit Services and Kit Account Services.

11. Fees and charges

For the Kit App Services, we currently do not charge any fees for downloading the App and using the Kit App Services.

For the Kit Account Services, fees and charges are as set out in the PDS.

In all cases, you may incur charges from your mobile service provider for downloading and using the App, including using the internet with the App.

12. Warranties

Kit App Services

Nothing in these terms excludes, restricts, or modifies any guarantee, term, condition, warranty, or any right or remedy, implied or imposed by any law or legislation which cannot lawfully be excluded or limited, including the Competition and Consumer Act 2010 (Cth) (Australian Consumer Law) which contains guarantees that protect the purchasers of goods and services in certain circumstances.

To the extent permitted by law, Kit does not warrant that the Kit App or Kit App Services will meet any requirements or that their operation will be entirely error-free or that all defects are capable of correction or improvement. Subject to any implied term, condition or warranty imposed by the Australian Consumer Law as amended and/or under similar state legislation, all other warranties including any implied warranties of merchantability, satisfactory quality or fitness for purpose or ability to achieve a particular result are hereby excluded.

Kit's goods and services come with guarantees that cannot be excluded under the Australian Consumer Law. For major failures with the Kit App Services, you are entitled:

- to cancel your Kit App Services with us (and delete the App); and
- to a refund for the unused portion of your membership fee, or to compensation for its reduced value.

You are also entitled to choose a refund or replacement for major failures with goods.

If a failure with the goods or a service does not amount to a major failure, you are entitled to have the failure rectified in a reasonable time. If this is not done, you are entitled to a refund for the goods and to cancel the contract for the service and obtain a refund of any unused portion. You are also entitled to be compensated for any other reasonably foreseeable loss or damage from a failure in the goods or service.

Kit Account Services

Your warranties and related rights for the **Kit Account Services** are set out in the Kit Card and Account Terms and Conditions.

Confidential and up-to-date information

Subject to our requirements by law, the Kit Card and Account Terms and Conditions, PDS, Kit Card and Account FSG and TMD (for the Kit Account Services), and our Kit Youthsaver FSG, we will take all reasonable steps to ensure that the information available through the App is correct and updated regularly.

Please refer to our Privacy Policy for how we will protect your Kit App Services account information.

13. Intellectual Property

You agree that you:

- do not have any right, title, or interest in or to any proprietary rights relating to the information contained in the App, Kit App Services or Kit Account Services; and
- will not reproduce information obtained by using the App, Kit App Services or Kit Account Services, except where such reproduction is for your own personal non-commercial use in accordance with these Terms of Use.

14. Limitations related to this App

Nothing in these Terms of Use excludes, restricts, or modifies any guarantee, term, condition, warranty, or any right or remedy, implied or imposed by any law or legislation which cannot lawfully be excluded or limited. Subject to such implied or imposed matters and to your rights of termination set out in clause 17 (Limitation, Suspension or Termination), to the maximum extent permitted by law:

- our liability to you for any claims relating to a defect in the App or any unavailability of the Kit App Services or Kit Account Services through use of the App, is limited to the re-supply of the associated Kit App Services again; and
- we aren't liable under these Terms of Use for any indirect, special, or consequential losses (including loss of profits, actual or anticipated revenue by you).

We will not be responsible, liable, or held to be in breach of these Terms of Use for any failure to perform our obligations under these Terms of Use or otherwise if such failure is attributable:

- to you failing to comply with your obligations under these Terms of Use (including your compliance with any law);
- negligence, errors, fraud or other misconduct by you;
- a third party (other than any third party under our control); and/or
- any event or matter beyond our reasonable control.

You understand that the Kit App Services and Kit Account Services depend on access to the internet to operate. Where internet activity is lost, the applicable services may be downgraded or rendered unavailable.

15. Licence

Subject to these Terms of Use, while you are a registered user of the App, we grant you a personal, non-exclusive, non-transferable, limited, and revocable license to use the App for personal and/or non-commercial use for the sole purpose of accessing and for receiving the Kit App Services or accessing the Kit Account Services, as applicable. Any use of the App (in whole or part) in any other manner, including but not limited to, resale, transfer, modification, or distribution of the App is prohibited.

To the extent that you have any proprietary rights in the data captured in connection with your use of the Kit App Services and Kit Account Services, you grant to Kit a non-exclusive, worldwide, royalty free licence to:

- collect, host, copy, transmit, display and store; and
- disclose and provide access to,

such data as necessary for Kit to provide the Kit App Services and make available the Kit Account Services in accordance with these Terms of Use.

16. Making a complaint about the App

We try to get things right the first time – but if we don't, we will do what we can to fix it. If you have an issue about the Kit App or Kit App Services, you can raise a request for support or, if necessary, make a complaint directly in the App, or by contacting us via our Contact Us page on <https://www.heykit.com.au/>

We will:

- keep a record of your complaint;
- acknowledge your complaint within 1 business day;
- do our best to give you our final response within 30 calendar days; and
- if we can't complete our investigation within 30 calendar days, we'll let you know why.

If the issue is related to a Youthsaver Account in Kit, we may pass the issue to CommBank to better support your complaint.

The App is not provided by Apple, Google or any other third party distributor. Accordingly, any queries or complaints regarding the App (including but not limited to issues relating to intellectual property) should be directed to us. This condition applies for the benefit of Apple, Google and any other third party distributor.

17. Limitation, Suspension or Termination

Despite any right contained in these Terms of Use, we are obliged to implement United Nations Security Council sanctions as Australia is a member state of the United Nations. Therefore, we may be prohibited from dealing with certain persons or entities. This means that if we are aware that you are or appear to be a Proscribed Person, we may immediately refuse to process or complete any transaction or dealing of yours and/or suspend or terminate the provision of the Kit App, Kit App Services, or the Kit Account Services to you.

If you have not used the Kit App, Kit App Services, and/or Kit Account Services for a period of at least 3 months, we (a) will suspend your Kit Membership Fee payments and/or (b) may suspend and/or terminate your access, including for security purposes, to the Kit App, Kit Services and Kit Account Services.

We will make reasonable efforts to contact you (through the email address on your account) during this time and prior to our suspension and/or termination of (a) fee charging and/or (b) your use of the Kit App, Kit Services and Kit Account Services. If you wish to keep your access to the Kit App, Kit Services and Kit Account Services (subject to any Kit Membership Fee), you may notify us and continue to do so.

We can also suspend or terminate access to the Kit App, Kit Services and/or Kit Account Services, or, through the Kit Account Services issuer Hay Limited, not process a transaction as described in the Kit Card and Account Terms and Conditions and PDS if:

- we reasonably think you are using the Kit App, Kit App Services or Kit Account Services in connection with unlawful activities, including in a fraudulent way or in a way that might cause you, us, or others to lose money;

- we consider doing so is reasonably necessary, including to manage our compliance with laws in Australia or overseas, or to manage regulatory risk;
- we detect or suspect unusual activity which may be the result of malware or a virus, ID takeover or phishing, in which case we reserve the right to withhold access to the App where we continue to detect malware or a virus, or you refuse to follow our recommendations provided to you to assist with the removal of malware and/or viruses from your computer or Device; and/or
- you are accessing the App within sanctioned countries. (A list of the sanctioned countries can be found at [What You Need to Know | Australian Government Department of Foreign Affairs and Trade \(dfat.gov.au\)](https://www.dfat.gov.au/what-you-need-to-know).)

In each of the circumstances above, we may, for security or legitimate business purposes (including where required by law), suspend, or terminate without notice where reasonably required.

We may also suspend or terminate the provision of the Kit App, Kit Services or Kit Account Services if:

- we believe you are in breach of any of these Terms of Use, including where we reasonably suspect you of engaging in fraud or any other illegal activity or you use or attempt to use the App to engage in any activity that is not legal in Australia;
- you give us false or inaccurate information when you provide information to the App or apply for or use the Kit Account Services;
- you include or use inappropriate content on the App;
- for security, technical, maintenance or operational reasons where we consider it reasonably necessary or appropriate to do so in accordance with our legitimate business purpose; and/or
- we otherwise reasonably believe to do so protects our legitimate business or security interests.

When we exercise this discretion, we will:

- provide you with as much prior notice as is reasonable in the circumstances;
- act fairly and reasonably towards you in a consistent and ethical manner; and
- consider your conduct, our conduct, and the products and/or services that are being used.

If you seek to terminate use of this App

You may terminate these Terms of Use by deleting the App or using any relevant close account function in the App.

The termination provisions for Kit Account Services are as set out in the Kit Card and Account Terms and Conditions.

To avoid doubt, the termination and all other account and services provisions for the CBA Youthsaver Account are as set out in your separate agreement for this product with CommBank.

If the App is terminated or suspended by us:

- these Terms of Use will remain in effect to the extent such Terms of Use are intended to survive, and we both will remain bound by them except that your right to access or use the App and Kit App Services will terminate or be suspended; and
- for the Kit Account Services, the termination or suspension process set out in the Kit Card and Account Terms and Conditions will apply.

You acknowledge that **your personal settings and other saved data may be lost on termination or withdrawal** of access to the App or any of its features, and that we are not responsible for any such loss where we have acted in accordance with these terms and conditions.

18. Communications with you

We may send you notifications via a push notification service or other reminder mechanism, via email, or via SMS.

Push notifications or alerts will be sent to any compatible Apple or Android Device on which (a) you have installed the App, (b) you have notifications enabled, and (c) where the Device is associated with your mobile number (including for wearables if that becomes an option). For your Apple Device, you can enable or disable notifications for this App via the Notifications tab in your device Settings. For your Android Device, you can turn notifications for this App on or off via Settings within the App.

Depending on your Device settings, notifications may be seen by other people (including unauthorised persons) who are able to see your Device or any linked peripheral devices (for example, a smart watch). Please check the notifications settings on all your Devices to ensure the privacy and notifications settings are appropriate for your use.

Notifications may include:

- Account alerts (e.g., balance, payments due, incoming payments, transaction notifications);
- Security and service alerts;
- Alerts when new versions or upgrades are available;
- Special offers, information and reminders about products and services; and/or
- Details of transactions and spend.

You acknowledge and agree:

- to receive notifications and acknowledge that their delivery may be subject to the quality of your connection and the accuracy of the contact details you have provided. It is your responsibility to check any notification information before acting on it; and
- all general notifications will be sent to you through the “notifications function” of the App.

We reserve the right to suspend, change or discontinue notifications at any time for our legitimate business purposes, including for security purposes or where our notifications do not align with our operational requirements for the App.

Notifications do not affect your obligation to comply with the terms applicable to the Kit App and Kit Account Services.

As part of the App, we may from time to time send you messages that include commercial electronic messages advertising, promoting, or offering new or existing products, services or messages. Where we send you a message that has commercial component, we will include information as to how to unsubscribe from future, similar messages.

19. Sending you marketing and commercial messages

This clause relates to the marketing and commercial electronic messages we may send you.

If you provide us with your contact details (such as your email, telephone number) and other personal information, you agree that we may use them to communicate with you (unless you tell us not to), including:

- to send you commercial electronic messages;
- for direct marketing purposes; and
- to make phone calls to you on an ongoing basis.

By registering for online services or accessing Kit applications (such as the Kit App), you also agree that (unless you tell us not to) we may send you commercial electronic messages and/or direct marketing through these online services and apps (including push notifications, in-app messages and notifications, or messages to your Kit App inbox).

If you use a virtual assistant that may be available in our online services or app, you agree that the virtual assistant may send you commercial electronic messages or direct marketing in its responses to the prompts you submit to the assistant.

We may use third party service providers such as marketing companies or mail houses to send messages on our behalf for direct marketing purposes. You agree that (unless you tell us not to) we may share your personal information with marketing companies or mail houses so they can send you direct marketing messages on our behalf.

Changing your preferences

We will provide you with options you may use to opt out of receiving commercial electronic messages we send you and to choose the way we send them to you. While in some cases one of the options may be an unsubscribe facility, you agree we are not required to include an unsubscribe facility in commercial electronic messages we send you.

Opting out of commercial electronic messages may impact our ability to provide you with information about all the benefits that are available as our customer. There are, however, messages that we must be able to send you and which you will not be able to opt out of receiving.

Opting out of messages sent by Kit will not opt you out of receiving messages from other brands within the CBA Group where you have agreed to those other brands sending you messages. If you would like to opt out of receiving commercial electronic messages from other CBA Group brands, please follow the opt out facilities in their communications or as set out in their terms and conditions.

20. Your information

We collect and store information when you download, install, and use the App, and register for and login to use the Kit App Services, Kit Account Services and the other services accessed via the App.

You must give us accurate and complete information. Otherwise, you may be breaking the law and we may not be able to provide you with certain parts of our services. If you change your personal details (for example, name or email address) you must tell us straight away.

Our collection and use of your personal information is governed by our Privacy Policy, which can be viewed at <https://heykit.com.au/legal/privacy-policy>

Our policy includes information about:

- The ways we may collect, use, or exchange your information.
- How you may access and seek correction of the information; and
- How to make a complaint about a breach of your privacy rights, and our complaint handling procedures.

For privacy related enquiries, please contact us using the contact details set out in our Privacy Policy. Our policy should be read in conjunction with any privacy disclosures you are given when you use the Kit App Services or apply for the Kit Account Services or Kit Card.

21. Other things you should know

Changes to these App Terms of Use

We may change these App Terms of Use at any time if we deem such changes are required for our legitimate business interests (including for security purposes or where we adjust the functionality or services provided under the App). We will notify you of any material changes by electronic notice. If you do not agree to any changes, you may terminate your use of this App and the associated Kit services. Your continued use of the App and associated Kit services after any such variation or modification will be taken to be an acceptance of such variation or modification. We may, however, also require you to confirm your acceptance of changes to continue using the App or associated Kit services.

If we make a change that you are not happy with, you should:

- stop using and uninstall the App immediately; and

- clause 17 of these Terms of Use will apply.

For clarity, any changes to the Kit Account Services or Kit Card product will be governed by the Kit Card and Account Terms and Conditions.

Also for clarity and to avoid doubt, any changes to the Youthsaver Account and related services are as set out in your separate agreement for this product with CommBank.

Check the details you enter carefully

If you enter your details into the App and particularly if you apply for or use the Kit Account Services, please take care to enter the correct name, account and/or other payment details or your payment, receipt or transfer of funds may be unsuccessful and/or you may not be able to recover a payment made to an incorrect recipient. We will not check that the details you provide are correct.

For the Kit Account Services, you cannot delete or cancel a payment transaction once you have taken steps to do that through the App. This includes transfers to a linked Youthsaver Account, the management of which will need to be done through CommBank channels made known to you in the separate Youthsaver Account terms and conditions. Please review the Kit Card and Account Terms and Conditions for further details on how payment transactions are managed.

You are responsible for entering the correct account details when sharing information in the App, via email, or SMS on your Device(s).

Using your location data

If you grant permission through the Kit App to use your Device location information, we may log this location information for any Device on which the Kit App is installed. We will log this information for security purposes and to enable other Kit App functionality where location information is required.

Messages from our staff

Where you have a query, our staff will respond to your query via email. It is your responsibility to ensure that notifications are enabled on your Device or account so that you receive messages in reply in a timely manner.
